*The Ultimate Lockdown Companion*

The current COVID-19 outbreak has resulted in a time of social distancing and self isolation.

During this tough time, it's important to stay connected and maintain a sense of normalcy.

[Enter the App](#)

The image shows a mobile application interface for 'DIVOC MENU'. At the top, there is a status bar with a signal strength indicator, a battery icon, and the time '18:59'. Below the status bar is a green header with the word 'DIVOC' in large, bold, black letters. Underneath the header is a dark green bar with the word 'MENU' in white, bold, sans-serif capital letters. The main content area consists of eight white rectangular buttons with black borders, arranged vertically. Each button contains a menu item in black, sans-serif capital letters. The items are: 'General Information', 'State / Local Information', 'Wellness / Fitness Information', 'Entertainment', 'Social / Communication', 'Essential Corner', 'Emergency Information', and 'Profile'. The entire interface is framed by a thick black border, and there are small circles at the top and bottom center, likely representing the phone's camera and home indicator respectively.
